

Fair Trade Tourism

WHAT ARE FAIR TRADE IN TOURISM PRINCIPLES?

Membership of Fair Trade Tourism (FTT) is only awarded to establishments adhering to specific criteria which includes fair wages and working conditions, fair distribution of benefits, ethical business practice, and respect for human rights, culture, community and the environment.

Bahia Mar has been a proud member of FTT since our first year of operation and accordingly support our local community and traders as much as possible.

Purchasing seasonal fruits and vegetables ensures the products we serve are fresh and the local growers have a viable operation. For some, this is their only way to generate or supplement their income.

Fresh fish and seafood are always popular, however Mozambican law restricts net fishing during breeding season (December to March) which Bahia Mar is pleased to support.

Due to this our menu selection will change with the seasons and around product availability, which we hope you will understand, as we support our environment and everything that encompasses.
